

ENHANCED HYGIENE

Now that there has been confirmation of Covid-19 (Coronavirus) in Grand Cayman we want to ensure our patients and staff remain protected, therefore we are implementing enhanced procedures and would kindly ask for your assistance at this time of heightened concern.

ENHANCED MEASURES

1. Please use Hand Sanitizer on both hands prior to entering clinic
2. Please wear a mask
3. Carefully answer our risk assessment questions
4. Inform the Front Desk staff or Nurses if you have answered "Yes" to any of these questions.
